Re: Request for funding to attend David Jacke course

Dear Steve,

Your request of 170/2013 for a contribution towards the cost of attending the Permaculture Teaching course given by Dave Jacke next year was considered by Trunk (PcV Committee) at it's meeting of 2nd December 2013.

We noted that the Protocols for Scholarships and Grants are still in the formative stage, yet we also recognised that a decision on your application was needed given the timing of the course you wish to attend. Therefore we made the decision to offer you the following one-off scholarship.

We are happy to offer you a scholarship to the value of \$500 from the Clarkson Fund for you to attend Permaculture Teacher Training with David Jacke.

In return, and following your offers, Trunk would require you to present a total of five (5) one day workshops for Permaculture Victoria members on the topics of Permaculture Teacher Training and Permaculture Design Principles. The ratio of these two topics to be determined at a later stage based on member interest.

We also note that as we are currently formulating the policies and procedures surrounding scholarship and grants, should the final policies require a lesser return from scholarship recipients, we will look again at your request and adjust accordingly.

We wish you all the best with your course, and look forward to you sharing this learned knowledge with Permaculture Victoria members, which will also of course have a great impact on the Permaculture Movement as a whole.

Yours Sincerely,

Warwick Bone
President - Permaculture Victoria.
